## School Renovation Presentation for Parents: Lecture Hall @ 6pm

Review architectural plans for Milford High School and learn how the \$28.3 million of NH DOE funding helps support this project.

## Kid Fun Zone: Drop off as early as 5:45pm in the Library

Career exploration activities, STEM games, and snacks provided for kids in grades K-8. Babysitting will be provided by our CTE Ambassador students, so parents can attend the renovation presentation next door in the Lecture Hall.
