

5009 (JICK) Bullying Prevention - Pupil Safety and Violence Prevention 5009 (JICK)

- A. **Purpose and Intent.** The Milford School District is committed to providing a safe and respectful learning environment for all students. Through education, prevention, and consistent enforcement, we aim to eliminate bullying and promote positive peer relationships for all of our students. This policy defines and prohibits bullying and related conduct, and establishes clear procedures for reporting, investigating, and responding to incidents.
1. **Prohibition of Bullying or Cyberbullying of a Student** - RSA 193-F:4, II(a). This policy is intended to comply with and implement RSA 193-F.  2. **Protection of all School Aged Children** - RSA 193-F:4, II(c). - C. **Retaliation & False Accusations** - RSA 193-F:4, II(b). Retaliation or false accusations related to bullying or cyberbullying shall be deemed a violation of this policy. Upon receiving any report of bullying or cyberbullying, the Principal will immediately assess the need to develop a plan or take steps to protect the alleged victim or any witnesses against retaliation. The same assessment shall be made at any point upon a report of retaliation or false accusations made during or after a bullying/cyberbullying investigation.
- Reports of retaliation or false accusations relating to a bullying/cyberbullying report may be made in the same manner as for reports of bullying/cyberbullying as provided in this policy.
- Investigations, and responses (i.e., interventions, supportive measures, disciplinary consequences) to reports of retaliation or false accusations may be made as provided in the same manner as provided in Sections E - H for reports or incidents of bullying/cyberbullying, or in accordance with procedures and provisions set forth in the Code of Conduct/Student handbook.
- D. **Procedures for Reporting Bullying, Cyberbullying, Retaliation or False Accusations** - RSA 193-F:4, II(f). At each school, the Principal is responsible for receiving reports or complaints of bullying or cyberbullying.

 2. Staff Reporting. Any school employee or volunteer who receives a report of, witnesses, or has knowledge or belief that bullying/cyberbullying or retaliation may have occurred, shall inform the Principal as soon as possible, but no later than the end of that school day.

3. Parent Reporting. Parents and other adults are also encouraged to report any concerns about possible bullying/cyberbullying or retaliation of students to the Principal.
4. Anonymous Reports. The Principal may develop a system or method for receiving anonymous reports of bullying within the building. Although students, parents, volunteers and visitors may report anonymously, an investigation based upon such reports may by necessity be incomplete. More significantly, formal disciplinary action may not be based solely on an anonymous report, and, likewise, other remedial or supportive measures may require some form of evidentiary verification.

Reports Involving Students from Different Districts. Reports of bullying which relate to students from different districts should, when possible, be made to the Principal of the school in which the victim(s) is enrolled/attending, otherwise to the Principal of the school in which the perpetrator is enrolled/attending.

5. Report Forms. The administration may develop student reporting forms to assist students and staff in filing such reports. An investigation shall still proceed even if a student is reluctant to fill out the designated form and/or chooses not to do so.

E. Actions Upon Receipt of Report of Bullying or Cyberbullying.

1. Notice when Allegations Involve Students from Other Districts/Schools/States - RSA 193-F:4, II(k). When a report of bullying involves conduct across multiple districts or students from multiple school districts, the Principal/designee will immediately inform the Principal(s) of each of the other schools/districts. Additionally, if the report concerns bullying across state lines, the Principal/designee will inform the New Hampshire Attorney General's office.
2. Information to Alleged Victim - Upon a receipt of a report of bullying, the Principal/designee shall provide the alleged victim with a written copy of their rights, protections, and support services available. RSA 193-F:4, II(i).
3. Parental Notice of Bullying Report — RSA 193-F:4, II(h). Within 48 hours of receiving a report of bullying, the Principal will notify the parents of any student reported as a victim of bullying, as well as the parents of any student who has been reported as a perpetrator of bullying. The notification to parent(s)/guardian(s) will include the measures being taken to ensure the safety of the victim (alleged) and to prevent further acts of bullying. Such notification may be made by telephone, writing, or personal conference. The date, time, method, and location (if applicable) of such notification and communication shall be included in the investigative report. Notifications shall be consistent with the applicable provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA) relative to the student privacy rights of each student indicated in the report.

The Principal may request of the Superintendent/designee a waiver of the parental notification requirement, which may be granted only if the Superintendent deems such a waiver to be in the best interest of either the alleged victim or alleged perpetrator. Details of any request for a waiver and any grant of such request will be included in the investigative report. However, notification to parents/guardians may not be waived for longer than 5 school days except for reports of bullying across multiple school districts (see Section E.1). RSA 193-F:4, II(j).

4. **Receipt of Report.** Upon receipt of a report of bullying, the Principal shall commence an investigation consistent with the provisions of Section F of this policy, and shall assess
 - a. the need for a plan to protect students against retaliation, or further acts of bullying;
 - b. whether the conduct may be construed as illegal discrimination or harassment related to a protected class as set forth in Board Policy 2401 (AC - Nondiscrimination, Equal Opportunity, and Anti-Discrimination Plan). If so, the Principal shall confer with the District staff member(s) charged with handling such discrimination or harassment to determine how to proceed (e.g., parallel or combined investigations); and
 - c. whether such conduct constitutes a safe schools violation requiring a report pursuant to RSA 193-D:4 and Ed 317.05.

F. Investigative Procedures - RSA 193-F:4, II(k).

1. Upon receipt of a report of bullying, the Principal shall, within five (5) school days, initiate an investigation into the alleged act. If the Principal is directly and personally involved with a complaint or is closely related to a party to the complaint, then the Superintendent shall direct another district employee to conduct the investigation.
2. Under state law, when bullying is alleged to occur across multiple New Hampshire school districts, the Principals/designees for each New Hampshire school involved are expected to collaborate and cooperate in the investigation. The Principal who first learns of the incident(s) is required to initiate the investigation.
3. The investigation should include documented interviews with the alleged victim, alleged perpetrator and any witnesses. All interviews shall be conducted privately and shall be confidential to the extent permitted by law. Each individual will be interviewed separately, and at no time will the alleged victim and perpetrator be interviewed together during the investigation.
4. The investigation should include review of any available surveillance recordings subject to the provisions of Board Policy 2315 (ECAF - Student Transportation Management) and 5010 (EEAA - Video and Audio Surveillance on School Property). As required under RSA 507-A:2, II(k), parents/guardians and students are notified that surveillance recordings with audio may occur on school buses as authorized under Board policy 2315 (ECAF).
5. If the alleged bullying was in whole or in part cyberbullying, the Principal may ask students and/or parents to provide the District with printed copies of e-mails, text messages, website pages, or other similar electronic communications, consistent with Board Policy 5011 (JIH) (Searches of Students, Student's Property & School Owned Property) and RSA 189:68. The Principal may not, however, require or request a student's user credentials to disclose or to provide access to a personal social media account.
6. The Principal or other investigator may consider all relevant facts and circumstances during the course of the investigation, including but not limited to:

- a. Description of incident, including the nature of the behavior;
 - b. How often the conduct occurred;
 - c. Whether there were past incidents or past continuing patterns of behavior;
 - d. The characteristics of parties involved, (name, grade, age, etc.);
 - e. The identity and number of individuals who participated in bullying behavior;
 - f. Where the alleged incident(s) occurred;
 - g. Whether the conduct adversely affected any student's education or educational environment;
 - h. Whether the alleged victim felt or perceived an imbalance or power as a result of the reported incident; and
 - i. Whether the conduct violated any District or school policies or rules.
7. In most instances, the Principal shall complete the investigation within 10 school days of receiving the initial report. See RSA 193-F:4, II(o). If the Principal needs more than 10 school days to complete the investigation, the Superintendent may grant an extension of up to seven (7) school days. In the event such extension is granted, the Principal/designee shall notify in writing all parties involved of the granting of the extension and the reason for the extension. To the extent not previously communicated, the Superintendent shall ensure that the victim's parent(s) or guardian(s) are notified of the investigation, the extension, and the reason for the extension.

Without limiting what might constitute sufficient cause for an extension under this paragraph, the Superintendent may consider the interests of the victim or alleged perpetrator related to any investigation into some or all of the same alleged conduct which other investigation includes procedures and timelines mandated by a regulation or statute other than RSA 193-F (e.g., Title IX, criminal investigations, etc.). Before waiving the time requirement on account of such other investigation, the Superintendent should confer with counsel and/or the District's Human Rights/Title IX Coordinator.

8. In cases involving reports of bullying across multiple districts or states, the Principal(s) of any and all districts in New Hampshire involved shall collaborate with any other principals or districts involved.

G. Completion of Investigation and Report.

1. **Investigative Determination and Report.** Whether a particular action or incident constitutes bullying/cyberbullying, retaliation or other violation of this policy requires review and consideration of available evidence of all facts and surrounding circumstances. The investigative determination, along with a summary of the investigation, shall be included in a comprehensive report. If the determination is that the bullying allegation is substantiated, the report shall include provisions describing any disciplinary consequences, interventions, supportive measures, or

other assistance for the victim or perpetrator, and, when indicated, any steps appropriate to protect all students from retaliation of any kind. The report may also include policy, training, or other recommendations for preventing future bullying conduct within the school.

2. Communication with Students and Parents Upon Completion of Investigation - RSA 193-F:4, II(m) and (o).
 - a. Within 10 school days, the Principal will notify the parents of the alleged victim and of the alleged perpetrator regarding the school's remedies and assistance, within the boundaries of applicable state and federal law. The initial communication may be in writing, in person or by telephone. If verbally, the Principal will also send a letter confirming earlier determination to the parents within two (2) school days confirming the earlier notification.
 - b. The Principal/Designee shall conduct a conference with each perpetrator, and the perpetrator's parents/guardians and applicable school personnel for age-appropriate discussion that includes at a minimum the impacts of bullying. The conference shall occur even if the parent or parents or guardian or guardians decline to participate or fail to attend. Information concerning the date, time, place and attendees of the conference, and any other information from the conference deemed pertinent by the Principal/designee shall be appended to the investigative report provided to the Superintendent.
 - c. If the victim's parents request, the Principal shall schedule a meeting with them to further explain the investigative determination.
 - d. In accordance with the Family Educational Rights and Privacy Act and other laws concerning student privacy, the District will not disclose educational records of other students, including the disciplinary consequences ~~and remedial action~~ assigned to perpetrator(s)
3. Appeals. A parent aggrieved by the investigative determination of the Principal may appeal the determination in accordance with the standards and procedures set forth for Level II and Level III appeals in Board Policy 2403 (ACA - Discrimination and Harassment Grievance Procedures).
4. Additional Reporting Requirements.
 - a. Reporting Substantiated Incidents - RSA 193-F:4, II(n). The Principal shall forward all substantiated reports of bullying or retaliation to the Superintendent upon completion of the Principal's investigation.

Irrespective of the time and date a form or report is due to be filed with NHED, the report or form, or the information required for the report or form, shall be completed or compiled within 10 school days following an investigative finding of a substantiated bullying/cyberbullying report. The Principal/designee shall retain a copy and shall forward one copy to the Superintendent. Hard copies are not necessary if the digital form/data is retained and accessible to both the building administration and SAU.

- c. Reporting to NH Department of Education - RSA 193-F:6, I. The Superintendent shall annually report the District's substantiated incidents of bullying to the New Hampshire Department of Education. Pursuant to FERPA, such reports shall not contain any personally identifiable information pertaining to any student.

H. **Substantiated Instances of Bullying or Retaliation: Interventions, Remedial Measures, and Disciplinary Consequences**

While students who have been found to have committed an act of bullying/cyberbullying (i.e. perpetrators shall face disciplinary consequences as provided in Paragraph H.2.a below), the Board encourages the administration and school district staff to explore additional measures, remedies and interventions to address the substantiated instances of bullying/cyberbullying and to prevent their reoccurrence. See also Paragraph H.3, below.

1. Interventions and Other Remedial Measures. Examples of interventions and remedial measures include, but are not limited to:
 - a. Restitution,
 - b. Parent conferences,
 - c. Student counseling,
 - d. Behavior assessment,
 - e. Corrective instruction or other relevant learning experience,

2. Disciplinary Consequences - RSA 193-F:4, II(d), VI & VIII.

- a. Students found to have committed one or more acts of bullying or retaliation shall receive disciplinary consequences. Such consequences for students shall be consistent with the Student Code of Conduct for the conduct that constituted bullying/cyberbullying. Additionally, that provision of the student handbook(s) will include information as to where the entirety of this policy may be found on the District's website.
3. Curriculum. Each year, all students will participate in programming that includes anti- bullying/cyberbullying materials presented in age-appropriate language. The materials and information should, among other things, describe expectations for student behavior, emphasize an understanding of what bullying/cyberbullying, harassment and intimidation is and looks like, the District's prohibition of such conduct and the reasons why the conduct is destructive, unacceptable, and how and when the conduct can lead to disciplinary consequences.

The Superintendent, in consultation with staff, will, to the extent reasonably possible, integrate student anti-bullying training and education into the district's curriculum, behavior programs, and other violence prevention efforts.
